

For some strange reason I have become obsessed with making memes recently! It may just be I have a couple of apps on the phone that make it easy now. Whatever the reasons, I thought I would share my last week or so of memes here with you guys. Also, I have not had a chance to write a real blog. Oh, before we go there though - the book has a title (I think)

Even Ninja Monkeys Like to Play

Gamification, Game Thinking and Motivational Design

Now on to the memes!

Gamification is not about making games!

Progress needs a destination

Sometimes you just have to know when the person who you are talking to doesn't care!

I'm a nerd - deal with it!

Everyone has an opinion.

Seriously - I will do anything to get my kids to eat veg.

If you are weak of mind...

Okay, I may be a bit crazy

Money might not be the root of happiness, but it can't hurt to have a bit more..

Sometimes you just have to listen and nod along

Writing takes courage

Family is not just about blood

I wish this so often - but experience makes us who we are..

Please wait...
