

Hey dudes.

Well, it's official, I'm speaking at [Gamification Europe](#) with a roster of amazing experts in the field. My talk will be about making the best of what is available to you to create innovative solutions, as you don't always get what you want when working with clients!

This year it is in Amsterdam, so another reason to come and watch!

If you are interested in seeing us all do our thing, you can use [this link to book tickets](#). Not gonna lie, if you purchase from this link, I will get a kickback - one of the perks of being a speaker ☐ You will also get a **10% discount**.

So, if you want to learn from a group of people love, live and breathe gamification, get your ticket now!
