

Privacy Policy

I am committed to safeguarding your privacy. Contact us at if you have any questions or problems regarding the use of your Personal Data and will gladly assist you.

By using this site or/and our services, you consent to the Processing of your Personal Data as described in this Privacy Policy.

Quick Version

If you register on the site, we will have the data you input at registration. You may get the occasional email related to the website and if you agreed, you will be added to the email newsletter (only if you agreed and then activated!)

If you put your email address in the “Subscribe to our newsletter” box and then activated your subscription, you will get the newsletter once a month and when I add new content. You can easily manage that from the email, just look for the “Unsubscribe” or “Manage” links in the email.

I also use google analytics and Add This, Facebook, Twitter and Youtube widgets - all of which have cookies. These are there to help me understand what is popular on the site and what isn't.

don't do anything else with the data collected, it isn't sold to anyone or moved anywhere else.

Publicly available information

We might gather information about you that is publicly available.

How we use your Personal Data

We use your Personal Data in order to:

- provide our service to you. This includes for example registering your account; providing you with other products and services that you have requested; providing you with promotional items at your request and communicating with you in relation to those products and services; communicating and interacting with you; and notifying you of changes to any services.
- enhance your customer experience;
- fulfil an obligation under law or contract;

We use your Personal Data on legitimate grounds and/or with your Consent.

On the grounds of entering into a contract or fulfilling contractual obligations, we Process your Personal Data for the following purposes:

- to identify you;
- to provide you a service or to send/offer you a product;

On the ground of legitimate interest, we Process your Personal Data for the following purposes:

- to send you personalized offers* (from us);
- to administer and analyse our client base (purchasing behaviour and history) in order to improve the quality, variety, and availability of products/ services offered/provided;

As long as you have not informed us otherwise, we consider offering you products/services that are similar or same to your purchasing history/browsing behaviour to be our legitimate interest.

With your consent we Process your Personal Data for the following purposes:

- to send you newsletters and campaign offers (from us);
- for other purposes we have asked your consent for;

We Process your Personal Data in order to fulfil obligation rising from law and/or use your Personal Data for options provided by law. We reserve the right to anonymise Personal Data gathered and to use any such data. We will use data outside the scope of this Policy only when it is anonymised. We save your billing information and other information gathered about you for as long as needed for accounting purposes or other obligations deriving from law, but not longer than **1 year**.

We might process your Personal Data for additional purposes that are not mentioned here,

but are compatible with the original purpose for which the data was gathered. To do this, we will ensure that:

- the link between purposes, context and nature of Personal Data is suitable for further Processing;
- the further Processing would not harm your interests and
- there would be appropriate safeguard for Processing.

We will inform you of any further Processing and purposes.

How we secure your data

We do our best to keep your Personal Data safe. We use safe protocols for communication and transferring data (such as HTTPS). We use anonymising and pseudonymising where suitable. We monitor our systems for possible vulnerabilities and attacks.

Even though we try our best we can not guarantee the security of information. However, we promise to notify suitable authorities of data breaches. We will also notify you if there is a threat to your rights or interests. We will do everything we reasonably can to prevent security breaches and to assist authorities should any breaches occur.

If you have an account with us, note that you have to keep your username and password secret.

Children

We do not intend to collect or knowingly collect information from children. We do not target children with our services.

Cookies and other technologies we use

We use cookies and/or similar technologies to analyse customer behaviour, administer the website, track users' movements, and to collect information about users. This is done in order to personalise and enhance your experience with us.

A cookie is a tiny text file stored on your computer. Cookies store information that is used to help make sites work. Only we can access the cookies created by our website. You can

control your cookies at the browser level. Choosing to disable cookies may hinder your use of certain functions.

We use cookies for the following purposes:

- Necessary cookies - these cookies are required for you to be able to use some important features on our website, such as logging in. These cookies don't collect any personal information.
- Functionality cookies - these cookies provide functionality that makes using our service more convenient and makes providing more personalised features possible. For example, they might remember your name and e-mail in comment forms so you don't have to re-enter this information next time when commenting.
- Analytics cookies - these cookies are used to track the use and performance of our website and services
- Advertising cookies - these cookies are used to deliver advertisements that are relevant to you and to your interests. In addition, they are used to limit the number of times you see an advertisement. They are usually placed to the website by advertising networks with the website operator's permission. These cookies remember that you have visited a website and this information is shared with other organisations such as advertisers. Often targeting or advertising cookies will be linked to site functionality provided by the other organisation.

You can remove cookies stored in your computer via your browser settings. Alternatively, you can control some 3rd party cookies by using a privacy enhancement platform such as optout.aboutads.info or youronlinechoices.com. For more information about cookies, visit allaboutcookies.org.

We use Google Analytics to measure traffic on our website. Google has their own Privacy Policy which you can review [here](#). If you'd like to opt out of tracking by Google Analytics, visit the [Google Analytics opt-out page](#).
